Messages

Rob's Retirement

As many of you know, Rob (our Premises Officer) has been off work recently due to ill health. He has now been given ill health retirement and will not be returning. Rob has worked at the school for approximately 20 years and I am sure you will all join me in thanking him for all that he has done for the school in that time. He will be greatly missed.

Photos

Individual and class photos will be taking place this week on Wednesday and Thursday. Sibling photos will be done after school on Wednesday so if you would like a sibling photo, you will need to wait in line from 3:30pm to get these done. If your children go to after school club on Wednesday and you would like a sibling photo, please call Nicole in the office.

Breakfast and After School Club Booking

Booking for next half term (June and July) will go live at 10am on Mon 20th May. Once again, we have increased capacity to the maximum we can safely accommodate. Whilst we understand that 10am is not an ideal time for some parents, there is not a time in the day that works for all as everyone's schedules and work commitments vary.

INSET Days

A reminder that we have two INSET days this term: Friday 24th May and Friday 21st June. School will be closed on both of these days.

Fun Day

Our Fun Day will be on Friday 5th July.

Messages (continued)

Return in September

In September the children will return on Wednesday 4th September (new Reception children on Thursday 5th).

Nursery places for next year (from September 2024)

If you have a child who will be turning three between September 2024 and summer 2025, please make sure that you get your application for a nursery place submitted as soon as possible. Places for next year are filling up already.

Spring Fair

A big thank you to the PTFA for organising the Spring Fair which raised a fantastic £600! This money will go towards developing our wild garden area.

What's been happening at WTW?

Year 5 have taken part in the first of their two Into University Focus Days where they learnt about what it is like to go to university and the different things that they can study in the future.

The children across the school learned about how to look after our precious planet during Earth Day last week. Each class took part in lessons linked to this and the Eco Council shared with everyone what our environmental school priorities are.

Year 2 performed as part of the Lambeth Music Festival at the Royal Festival Hall.
