## Messages

### Bikes and Scooters

Please note that all bikes and scooters that are left in the playground are left there at the parent's own risk. Whilst it is very rare for bikes or scooters to be stolen or go missing, this does very occasionally happen. Please remember that if this happens, this is not the fault of school staff and the school are not liable to cover the cost.

### Walnut Tree Walk Gate

The Walnut Tree Walk gate will be locked at the end of the day once the Reception parents have left. This is for health and safety reasons as the gate keeps being left open when people use it after that time.

### INSET Day

A reminder that Fri 21st June is an INSET day

### Changes to Assembly dates

Nursery and Y4 Shuhana's class assembly dates have changed slightly. Shuhana's will be next Tuesday and Nursery will be on Wednesday 26th June.

### Fun Day

Our Fun Day will be on Friday 5th July. The PTFA are supporting us with this, particularly with getting raffle prizes. **If you are able to donate a raffle prize or know a local business that can, please contact one of the PTFA or the school office.**

### Nicole

I am pleased to share the news that Nicole had a baby girl, Lillian, born a couple of weeks ago. They have both already been in to visit.

## What's been happening at WTW?

Year 6 went on their residential to PGL Liddington earlier this week. The children had a fantastic time and we were all really impressed with how they threw themselves into all of the activities and how well they worked as teams.

## What's been happening at WTW?

Year 5 performed in the 'This Little Light' musical extravaganza last week. This was a concert with performers from a number of schools across Lambeth, held at Holy Trinity Church.

Year 3 visited the Garden Museum to take part in a transpiration experiment as part of their science learning this term.

Year 2, 3 and 4 took part in a VR science workshop to learn about the solar system, space exploration and the moon landing.
