Lost Property
We have an enormous amount of lost property already this term. We will be putting it out in the playground at the end of the day each Friday for the next few weeks before sending it to a charity shop. **It would help us greatly if you could write names in the labels - particularly of coats and jumpers - as we would then be able to return them to you.**

Parent helpers for trips
Thankyou to those of you who completed the Google Form last term offering to volunteer for class trips and to escort classes to the swimming pool. We have selected four parents initially for this term who can help us walk the children to swimming lessons on Mondays and/or Thursdays, and we are currently getting their DBS checks. I will be in touch next term with other parents who volunteered when we look at helpers for other trips.

Parent Conference Meetings
This term's parent conference meetings will be on Tuesday 22nd and Wednesday 23rd October. This year we are doing the booking for these in a different way. From 7pm on Thursday 10th October, you will be able to book an appointment time using Scopay. Please logon at that time to ensure you get a suitable time. If you need help setting up a Scopay account, please contact the office.

Attendance emails and notifications
We have started using a programme called Studybugs which helps us to monitor pupil attendance. You may receive notifications via Studybugs if your child is absent and we have not been notified by you, or if your child's attendance falls below 93%.

Some pictures from our International Day

Playtimes at Walnut Tree Walk

It has been so lovely seeing the children make such good use of our outdoor space this term. The extensive redevelopments we have carried out have really helped make play and lunchtimes a lovely experience for the children.
